## PRESIDENT WHEELER OF KY. MIDLAND

Makes the Earlington Boosters Club a Visit—Thinks Well of Proposition

## OF EXTENDING RAILROAD TO DAWSON

President F. F. Wheeler, of the Kentucky Midland, was here Friday and in company with the officials of the Booster's Club went over a portion of the route the Midland would probably take in coming to Earlington. Mr. Wheeler says the route from Central City to Dawson would be possibly two miles shorter than the present line of the I. C. and would run through a much more populous country. This would put the Midland in touch with the largest coal fields in the state and would give Earlington an outlet to the coal markets on the I. C. Should this line be completed it would stimulate the coal and coke industry in this territory to a considerable extent and other lines of business would be benefited correspondingly. It is stated that when Mr. Wheeler returns from Chicago in a few weeks arrangements will be made to survey the route from Earles to Dawson via Earlington.

& Co., Pleasant View Greenhouse and others.

All work must be done by the pupils who are enrolled in the schools and must be vouched for by the teacher by her signature on the work.

Exhibits should be arranged by 9:30 o'clock November 12th.

## RESOLUTIONS OF RESPECT

At a regular session of E. W. Turner Lodge No. 548, F. & A. M. held at their lodge room in Earlington, Ky., Nov. 5th 1915. The following resolutions were read and adopted:

Whereas, it has placed Almighty God in his infinite wisdom to remove from this earthly home to that House not made with hands eternal in the heavens, our beloved Brother Richard B. Salmon, who departed this life November 5th 1915, at Covington, Ky.

Therefore, Be it resolved that we bow in humble submission to the will of Him who is too wise to err, and too good to wantonly afflict, recognizing the fact that we too must soon die and enter that land from whose bourne no traveler has ever yet returned.

Resolved, that we extend our heartfelt sympathy to the stricken family and the sorrowing friends in this sad hour of affliction and bereavement, and for solace and comfort can only point them to Him who hears the widow's cry and notes the sparrow's fall.

Resolved, that in the death of Bro. Salmon, this lodge sustains the loss of a cherished member, his family that of a kind, indulgent husband and father, and the community a useful and exemplary citizen.

Resolved that the Lodge-room Charter be draped in mourning and that the members wear the badge of sorrow for the next thirty days.

Be it further resolved that a copy of these resolutions be entered upon the minutes of the Lodge, and a copy sent to the bereaved family, and a copy furnished the Masonic Home Journal and the Earlington Bee for publication.

Committee:

The Woman's Missionary Society of the Henderson district of the M. E. Church south closed an interesting three days session at this place Sunday night. Delegates from all over the District were present and a large number of citizens attended the meetings. Quite a number of interesting papers were read on the subject of missions and a great deal of good was accomplished. Rev. Dillon, of Madisonville, preached an interesting sermon on missions Sunday night to a large and attentive audience. At the close of the sermons resolutions were read thanking the people of Earlington and the press for assistance so cheerfully given to the cause. ## RESOLUTIONS

Presented by Civic Improvement Committee to Boosters Club

## AT LAST REGULAR MEETING

At recent meeting of The Boosters Club the civic improvement committee made a report making some very important recommendations after said report was read and unanimously adopted, same committee was appointed to take said report before the City council and urge the adoption of such recommendations as reports to them, namely, "clean up day." The chairman of this committee was before the council and was received very courteously, and a committee consisting of J. M. Oldham and M. Bohan was appointed by Mayor Rash authorizing said committee to make investigation of said matter and, if deemed proper by them, to have this clean up day. This committee was empowered to inaugurate such a day. We print herewith the report referred to:

To the Boosters' Club of Earlington:

Your Committee on Civic Improvements wish to make the following report, and we request the fullest cooperation of the entire Club in our work:

1st. We urge the City Council to inaugurate at once one "clean up" day for the city and have ALL rubbish gathered and deposited in as LARGE piles as possible, easily accessible for wagons, then have all such rubbish hauled to the dump.

2nd. When this is done we earnestly urge our honorable Mayor to strictly enforce Sec. 4 of Art. 14 of our city ordinance, which reads as follows:

Any person who shall place on any street, alley or sidewalk of the city, or suffer to remain in front of his premises any filth, offal, putrid flesh, decayed vegetables or animal matter, trash, shavings, glass, sticks or RUBBISH OF ANY KIND, shall be fined \$5.00 for each offense, and in addition \$2.00 per day for each day same remains thereon after verbal notice by Marshal to remove same has been given.

3rd. We urge that each member of this Club, in so far as possible, improve, repair and paint their buildings and fences, repair or build good pavements, clean out their gutters, keep clean and neat all about their premises, thus assisting in making our little city present as good appearance as possible, and thus appealing to the stranger who comes our way as being a live and progressive city and one worthy of good citizenship.

4th. We desire to report as unsightly and dangerous one old dilapidated stable on sidewalk between the old opera house and the building formerly occupied by M. Bohan, and we urge that same be removed.

ERNEST NEWTON, Chm.  
CLAUDE LONG.  
O. E. DUDLEY.  
G. Y. TILFORD.

## EAT WITHOUT FEAR OF INDIGESTION OR SOUR, ACID STOMACH

Instant relief! "Pape's Dia-  
pepsin" ends your stom-  
ach trouble forever

Wonder what upset your stom-  
ach—which portion of the food  
did the damage—do you? Well,  
don't bother. If your stomach is  
in a revolt; if sour, gassy and  
upset, and what you just ate has  
fermented into stubborn lumps;  
head dizzy and aches; belch gas-  
es and acids and eructate undi-  
gested food, breath foul, tongue  
coated—just take a little Pape's  
Diapepsin and in five minutes  
you wonder what became of the  
indigestion and distress.

Millions of men and women to-  
day know that it is needless to  
have a bad stomach. A little  
Diapepsin occasionally keeps this  
delicate organ resulted and they  
eat their favorite foods without  
fear.

If your stomach doesn't take  
care of your liberal limit with-  
out rebellion; if your food is a  
damage instead of a help, re-  
member the quickest, surest,  
most harmless relief is Pape's  
Diapepsin which costs only fifty  
cents for a large case at drug  
stores. It's truly wonderful—it  
digests food and sets things  
straight, so gently and easily  
that it is really astonishing.  
Please, for your sake, don't go on  
and on with a weak, disordered  
stomach; it's so unnecessary.

### Beware of Cheap Substitute

In these days of keen competition  
it is important that the public should  
see that they get Chamberlain's  
Cough Remedy and not take substi-  
tutes sold for the sake of extra pro-  
fit. Chamberlain's Cough Remedy  
has stood the test and been approv-  
ed for more than forty years. Ob-  
tainable everywhere.

For regular action of the bowels, easy, natural  
movements, relief of constipation, try Doan's  
Mergals. 50c at all stores.

## THE CHEERFUL CHERUB

I haven't so very  
much sense.  
In fact I've been told  
that I'm dense.  
But my only  
employment  
is finding  
enjoyment—  
My power in  
that is  
immense.

## Will Move To Earlinton

Mr. C. W. Cox, of Madisonville  
has accepted a position with the  
Kentucky Central Life Insurance  
Company and will move his fam-  
ily to this place as soon as he can  
secure a desirable house. Mr. E.  
S. Banks and family of St. Char-  
les, have rented the Ernest New-  
ton property and will move to  
Earlington in a few days. Mr.  
Blanks has accepted a position  
in the mechanical department of  
the St. Bernard Mining Co.  
Finis Blanks and wife, of St.  
Charles, will also make their  
home in this city. The people of  
Earlington extend all three fami-  
lies a hearty welcome.

## TIRED OUT.

There's many a farmer's wife sits on the  
porch in the growing shadows of a sum-  
mer evening, knowing to the full what it  
is to feel tired out; as if there was not  
another ounce of effort left in her. But  
she knows how  
sound her slum-  
ber will be and  
how refreshed  
the morning will  
find her. That's  
the tiredness of  
a healthy  
woman. But  
it's another  
thing for the  
sick woman to  
feel tired out.  
Rest only seems  
to increase her  
suffering. Just  
as in profound  
silence a discord  
jars the ear  
more forcibly, so  
now that she  
has stopped  
moving about,  
this tired woman  
feels more acutely  
the aching back and throbbing nerves.

Sick women, thousands of them right  
here in Kentucky, have been made well  
by the use of Dr. Pierce's Favorite Pres-  
cription. It establishes regularity, heals  
inflammation and ulceration.

A strong, healthy woman instead of a  
tired and ailing one! Sounds like a  
miracle, doesn't it? But it isn't. It's  
only the ordinary, every-day work of  
Dr. Pierce's Favorite Prescription—just  
the work that it was made for.

It's a woman's medicine, carefully  
compounded for her by an experienced  
physician, and adapted to her delicate  
organism. It makes weak women strong,  
suffering women well.

## How to Prevent Croup

It may be a surprise to you to  
learn that in many cases croup can  
be prevented. Mrs. H. M. Johns,  
Elida, Ohio, relates her experience  
as follows: "My little boy is sub-  
ject to croup. During the past winter  
I kept a bottle of Chamberlain's  
Cough Remedy in the house, and  
when he began having that croupy  
cough I would give him one or two  
doses of it and it would break the  
attack. I like it better for children  
than any other cough medicine be-  
cause children take it willingly, and  
it is safe and reliable." Obtainable  
everywhere.

## BASKET BALL TEAM

Several basket ball teams have  
been organized in the city re-  
cently and there promises to be  
some interesting games in the  
near future. There are two high  
school teams and one town team.  
Under the efficient coaching  
of Miss Heller they are progress-  
ing rapidly and will probably be re-  
ady for the opening game Thank-  
sgiving.

## Colds Do Not Leave Willingly

Because a cold is a stubborn is no  
reason why you should be. Instead  
of "wearing" it out, get sure relief  
by taking Dr. King's New Discov-  
ery. Dangerous bronchitis and lung  
ailments often follow a cold which  
has been neglected at the beginning.  
As your body faithfully battles those  
cold germs, no better aid can be  
given than the use of this remedy.  
Its merit has been tested by old and  
young. Get a bottle today. 50c and

This is a laudable enterprise and  
one that will be a benefit to the  
citizens of this place. Messrs.  
Oldham and Miller deserve and

## PRISON FARM SHOWS PROFIT

Experiment of Board of Prison  
Commissioners Solves  
Problem

## MEANS SAVING TO TAXPAYERS

Interesting Statement Issued by War-  
den A. J. G. Wells, of the Kentucky  
State Reformatory—State Farm  
Shows Profit of \$4,326.81 During  
Fourteen Months.

Frankfort, Ky.—(Special).—The ex-  
periment of employing the prisoners of  
the state on the State Farm seems to  
be a decided success. After a thor-  
ough trial of the plan of the Board of  
Prison Commissioners and Warden  
Wells, there is a net profit to the state  
of \$4,326.81 in fourteen months.

At the request of R. C. Terrell, Com-  
missioner of Roads, A. J. G. Wells, War-  
den of the Kentucky State Reforma-  
tory, has prepared a statement cover-  
ing the period the plan has been in op-  
eration. Warden Wells covers his two  
years' experience with a limited num-  
ber of prisoners on the State Farm.  
Mr. Wells said in part:

"The Legislature of 1914 authorized  
by law the lease of a farm, with an  
option of purchase at the end of the  
lease. In accordance therewith, the  
Board of Prison Commissioners, on  
recommendation of myself, as Warden,  
and with the approval of the Sinking  
Fund Commissioners, of which the  
Governor is a member, leased the Mas-  
lin farm, consisting of 462 acres, about  
1½ miles from the prison, and in the  
bend of the Kentucky river, just op-  
posite the new capitol, for an annual  
rental of \$3,000 per year. The Legis-  
lature adjourned on March 19, 1914,  
negotiations were carried on with sev-  
eral landowners and a contract con-  
cluded, and prisoners were put to work  
on the farm April 10, 1914. This, of  
course, was too late to get the best  
results the first year. This late  
start, which was unavoidable, made it  
a trying test for the first year, but in  
spite of both of these serious handi-  
caps, even this year made a most sat-  
isfactory showing.

"A summary of expenditures and re-  
ceipts of the farm, from April, 1914, to  
July 1, 1915, shows a net gain on July  
1, 1915, of \$4,326.81, after charging the  
farm with all labor at the same av-  
erage price paid beside the prison.  
Moreover, this net gain does not take  
into account many crops that had not  
developed sufficiently for accurate in-  
voice on said date. These crops are  
as follows: 10 acres of tobacco, 25  
acres of late Irish potatoes, 1 acre of  
sweet potatoes, 8 acres sugar cane, 7  
acres turnips, 2½ acres cabbage, 15  
acres beans, 5 acres greens, ½ acre  
cucumbers, 1 acre carrots, 6 acres  
melons.

"The season since July 1 has con-  
tinued good, and the products above  
named have added very materially to  
the balance above stated. We have,  
since July 1, put up for use in the  
prison 12,000 gallon cans of beans, to-  
matoes, corn and apples. All the cattle  
and hogs are slaughtered at the farm,  
and sold to the prison at less price  
than the packing houses furnish other  
state institutions similarly situated.  
The meats, vegetables and other prod-  
ucts are served fresh, and are alto-  
gether more wholesome and palatable  
than from the packers' cold storage.  
The better health of the prison popu-  
lation resulting is within itself a large  
asset.

"The farm, on account of its prox-  
imity to the prison and its splendid  
isolation, is ideally located. There are  
on the farm inexhaustible ledges of  
limestone, and within a few feet of a  
railroad and the Kentucky river. A  
rock crusher of sufficient capacity at  
this point, operated by prison labor,  
could easily supply a large demand for  
road material throughout the state.

"The railroad and river facilities for  
shipment should insure reasonable  
transportation rates. In my opinion,  
there is no place in the market which  
furnishes so many attractive features  
as this one for farming on a small  
scale, and for the production and trans-  
portation of road material, by the use  
of prison labor.

"It might be interesting in this con-  
nection to state that out of 179 pris-  
oners sent to the farm at different  
times, only 4 have escaped, and 2 of  
them returned. These prisoners re-  
main at the farm at night, and while  
they are under the direction and guard  
of Capt. J. P. Schnorbus, they have,  
necessarily, many opportunities to es-  
cape, if they were so inclined. I do  
not mean by this statement, however,  
to indicate that prisoners, indiscrim-  
inately, can be trusted on the outside.  
We have attempted, as far as surround-  
ing circumstances would permit, to ex-  
ercise good judgment in their selec-  
tion for this work. My estimate is  
that possibly 25 per cent of the prison  
population could be worked on the out-  
side in farming and the production of  
road material, with reasonable safety,  
under proper, careful and humane di-  
rection. A great deal will depend  
upon the plan adopted and selection of  
the agent, or agents, who shall ex-  
ecute the plan.

"If such a venture is to be made by  
the state, a bill should be carefully  
drawn, after mature consultation with  
those who have had actual and suc-  
cessful experience in the handling of  
prisoners, and before the meeting of  
the Legislature. No half-hearted, hastily-  
considered legislation should be  
passed in this connection."

## A CHILD'S TONGUE SHOWS IF LIVER OR BOWELS ARE ACTIVE

**Hot, cross, feverish, sick, bilious  
give fruit laxative  
at once.**

Look at the tongue, Mother! Coated, it is a sure sign that your little one's stomach, liver and bowels need a gentle, thorough cleaning at once.

When peevish, cross, listless, pale, doesn't sleep, doesn't eat, doesn't naturally, or is feverish, stomach sour, breath bad, has stomach-ache, sore throat, diarrhoea, full of cold, give a teaspoonful of "California Syrup of Figs" and in a few hours all the stool, constipated waste, undigested food and sour bile gently moves out of its little bowels without griping, and you have a healthy, playful child again.

You needn't coax sick children to take this harmless "fruit laxative," they love its delicious taste, and it always makes them feel splendid.

Ask your druggist for a 50-cent bottle of "California Syrup of Figs," which has directions for babies, children of all ages and for grown-ups plainly on each bottle. Beware of counterfeits and heresies. See that it is made by "California Fig Syrup Co." and keep away other kind with confidence.

After taking Chamberlain's Tablets, they regulated the action of my bowels and the headache and other annoyances ceased in a short time. Obtainable everywhere.

### Beware of Ointments for Catarrh that Contain Mercury,

In buying Hall's Catarrh Cure be sure you get the genuine. It is taken internally and made in Toledo, O., by F. J. Cheney & Co. Testimonials free. Sold by Druggists. Price 75c per bottle. ### ENDORSED AT HOME

Such Proof as This Should Convince any Earlington Citizen

The public endorsement of a local citizen is the best proof that can be produced. None better, none stronger can be had. When a man comes forward and testifies to his fellow-citizens, addresses his friends and neighbors, you may be sure he is thoroughly convinced or he would not do so. Telling one's experience when it is for the public good is an act of kindness that should be appreciated. The following statement given by a resident of Earlington adds one more to the many cases of Home Endorsement which are being published about Doan's Kidney Pills. Read it.

Monroe Davis, bntober, Earlington, says: "For quite awhile I had been afflicted with weak kidneys and my back ached intensely. I got Doan's Kidney Pills from the St. Bernard Mining Co., Incorporated, and they cured me in a short time."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Davis had. Foster-McBarn Co., Props., Buffalo, N. Y.

## A SIMPLE SLEEPING PORCH

WHEN you build your new home plan to have a sleeping porch. If you do not like hot summer nights and stuffy winter nights indoors, build a sleeping porch like the one above on your present home. Place it in an angle so as to avoid drafts. The southeast or southwest side of the house is best. The sides should be boarded up three or four feet to insure privacy and a reasonable freedom from drafts. The upper part should be covered with wire netting. Outside the netting hang canvas strips that can be raised or lowered from the inside.

A porch of this sort can be made for from \$50 to \$100, depending on the kind of finish and material used.
